Prisoners of Geography: Ten Maps That Tell You Everything
Fantastic - this is a book I've really been waiting for. I've long bemoaned the fact that we no longer emphasize geography in our schools - since as this book proves, a knowledge of geography is essential to even the most basic understanding of history.

Prisoners of Geography: Ten Maps That Tell You Everything
For an introduction to geopolitics, this is a great book. If you are studying Politics and/or Geography at A-level, or simply want an introduction to these concepts, this book is a great starting point. It provides many examples and case studies for A-level that come in very
useful.
